

Paintball Organiser Checklist

Print off our checklist to make getting your group together easier!

No.	Task	✓
1	From the Group Organiser Kit in Download section of website, download and print the Group Organiser form and post up on noticeboards at workplace/sports club	
2	From the Group Organiser Kit in Download section of website, download and print the Group Deposit form to track deposits and confirmations	
3	From the Group Organiser Kit in Download section of website, download and print off invitations and send out to each player	
4	Mention the day of paintball to people in your social circles and also ask them to invite anyone they know who may be interested	
5	Notify players and potential players with a text , stating the proposed date, time and venue. It's a day of fun so don't forget to add an air of excitement and anticipation	
6	Also send out informative and exciting emails containing proposed date, time, venue, deposit of \$20pp and mention that the email can be forwarded on to anyone who may be interested. Let people know that further info can be found at WASP website, www.wasppaintball.com.au	
7	Set a deadline for the deposit. Getting a deposit helps commit people. Send out your bank details so they can deposit into your account. Set clear instructions for them such as letting you know once they've paid. If people commit early then they are less likely to drop out due to other commitments.	
8	The date can be changed so prepare to be flexible to get the largest group possible. It really does make for a fun day when you have around 10-20 players that all know each other or will soon become friends!	
9	Most of all, ensure that each player knows that playing paintball is fun and any hits they experience on the day is minimal and soon forgotten amongst the excitement and adrenalin!	
10	Ask us about our organiser incentives to ensure this all makes it worthwhile!	
11	Students with Student Edge cards will always receive a special discount at WASP	
12	Bring your camera on the day, there'll be opportunities to take photos!	
13	Finally, once all the above has been done, give WASP a call on 0418 912 795 one week prior to game to pay your deposit and confirm players.	

We hope you all have a fabulous day at WASP, it's an experience like no other!
